

 SWISSTEC™

Targeted

Treatment Skincare Solutions

The SwissTEC™ skincare line offers a breakthrough in treatment skincare. Our 100% Swiss Technology formulations include advanced, exclusive ingredients that ensure optimal results while maintaining the skin's sensitive balance. Luxurious and calming, the SwissTEC™ skincare line offers advanced skin solutions without the irritation associated with other product lines. A comprehensive skincare regimen on its own, SwissTEC™ has also been designed to be the perfect complement to cosmetic treatments.

Effective

100% Swiss, 100% Effective

SwissTEC™ is exclusive for its advanced, highly effective ingredient complexes which bring you the most advanced treatment skincare results. SwissTEC™ is formulated and manufactured in Switzerland in compliance with the most arduous laboratory standards. Its progressive formulations are comprised of luxurious, high quality ingredients native to only the most exclusive Swiss skincare laboratory located in the mountainous, secluded Swiss Riviera. For more than half a century, this world-class laboratory and its team of dermatologists have been known for their innovative research and development efforts while having pioneered the science of anti-aging, product innovation and cellular therapy in the realm of skincare. SwissTEC™ offers the benefits of these advancements in one focused, effective treatment skincare line.

Concentrated

Scientifically Advanced and Eco-Friendly

The SwissTEC™ line includes certified organic ingredients, effectively enhancing the benefits to your skin and at the same time being earth friendly. SwissTEC™ products are free of parabens, alcohols and petroleum products and are dermatologically, ophthalmologically, safety tested and non-comedogenic. High performance ingredients are what make SwissTEC™ second to no other skincare line on the market.

Your Skin, Vital and Dynamic

Your skin is ever changing. It is affected by a wide array of environmental, biological and chronological factors. These external and internal factors impact the epidermis and dermis changing its appearance and elasticity over time. The skin has certain regenerative properties that when stimulated can slow and even reverse the signs of aging. SwissTEC™ has been formulated to work with the skin's natural processes to rejuvenate and enhance the skin's vitality and youthfulness. 100% Swiss Technology for optimal efficacy.

Protect What Is Precious

Environmental factors such as pollution, UV rays, free radicals and other external elements negatively impact the skin, causing pre-mature aging, hyperpigmentation, uneven skin tone and unwanted textural changes. SwissTEC™ formulations offer supreme protection to ward off aggressive environmental factors that can damage the skin and cause it to age unnecessarily.

SwissTEC™ recognizes the benefits of combined therapies. Many SwissTEC™ users combine their daily SwissTEC™ regimen with cosmetic treatments. With this in mind, SwissTEC™ has been designed to complement these advanced options before and after treatments. Protect your investment with the right skincare solution, SwissTEC™ has been designed with the future in mind.

CIC₂ Cellular Serum

This advanced serum helps preserve and restore the most vital properties of youthful, healthy skin; suppleness, cutaneous elasticity and tone.

Targeted

- Treats aged and pre-maturely aged skin.
- Treats photodamaged skin and skin affected by hyperpigmentation.

Effective

- Reverses the signs of aging, lightening the look of photodamage while restoring radiance.
- Revitalizes the skin's elasticity, reducing the appearance of fine lines and wrinkles.

Concentrated

- **CIC₂**: Slows the signs of aging, lightening the look of brown spots while enhancing skin renewal, resulting in an overall improvement in radiance.
- **Ameliox**: Reverses the signs of deterioration to the skin's elastic tissue to reduce the appearance of fine lines and wrinkles.
- **Hyaluronic Acid**: An excellent moisture balancing agent. It is substantive to the skin, thus helping to keep skin hydrated.
- Paraben Free.

Concentrated Renewal Cream

For Day and Night

This nutrient-rich complex works to re-establish the look of cutaneous elasticity and firmness in the skin.

Targeted

- Treats aged and pre-maturely aged skin.
- Treats photodamaged skin and skin affected by hyperpigmentation

Effective

- Reverses the signs of deterioration to the skin's elastic tissue to reduce the look of fine lines.

- **Ameliox**: Reverses the signs of deterioration to the skin's elastic tissue to reduce the appearance of lines of expression and wrinkles.
- **Algisium C2®**: Helps to restore moisture balance while soothing dehydrated skin.
- Paraben Free.

Redefining Neck Emulsion

This powerful formula tones and strengthens skin of the neck and décolleté.

Targeted

- Treats aged and pre-maturely aged skin.
- Restores firmness.

Effective

- Slows the signs of aging, lightening the look of photodamage resulting in an overall improvement in skin radiance and appearance.
- Renews skin's appearance, enhancing the look of tighter, youthful skin.

Concentrated

- **CIC₂**: Slows the signs of aging, lightening the look of brown spots while enhancing skin renewal, resulting in an overall improvement in radiance.
- **Sveltonyl®**: This firming complex renews skin's appearance, enhancing the look of tighter, youthful skin.
- **Algisium C2®**: Helps to restore moisture balance while soothing dehydrated skin.
- Paraben Free.

Concentrated Renewal Eye Cream

Hydrates the delicate skin of the eye area to renew its moisture balance and re-establishes the look of elasticity and firmness.

Targeted

- Treats fine lines and wrinkles around the eye area.
- Reduces the appearance of puffy eyes.

Effective

- Reverses the signs of premature aging by nourishing dehydrated skin and reducing the look of puffiness.
- Reduces the appearance of wrinkles and age-spots.

Concentrated

- **CIC₂**: Slows the signs of aging, lightening the look of brown spots while enhancing skin renewal, resulting in an overall improvement in radiance.
- **Oligopeptide**: Reduces the appearance of dark circles and redness while enhancing the appearance of skin tone and texture.
- **Vitamin C-PMG**: Reduces the appearance of dark circles, wrinkles and age-spots due to its free-radical scavenging effect.
- Paraben Free.

Vitamin C-PMG Eye Serum

This powerful vitamin complex decreases the look of dark circles and puffiness around the eyes while improving the appearance of skin elasticity.

Targeted

- Treats discoloration.
- Promotes skin elasticity.

Effective

- Reduces the appearance of dark circles, wrinkles and age-spots.
- This enriched formula derived from the Swiss Alps increases the appearance of firmness of the skin.

Concentrated

- **Vitamin C-PMG:** Reduces the appearance of dark circles, wrinkles and age-spots due to its free-radical scavenging effect.
- **Hyaluronic Acid:** An excellent moisture balancing agent. It is substantive to the skin, helping to keep skin hydrated all day/night.
- **Plantago Extract:** This antioxidant rich ingredient found in the Swiss Alps increases the appearance of firmness of the skin.
- Paraben Free.

Optimal Cleanser

This calming gel-based formula contains ingredients that cleanse, soothe and moisturize with an optimal pH that maximizes the benefits of all SwissTEC™ treatment products.

Targeted

- Mild formula for all skin types.

Effective

- Protects skin against abuse from environmental elements while soothing sensitive skin prone to redness and tenderness.
- Locks hydration into the skin ensuring a long lasting effect.

Concentrated

- **Aloe Vera:** Purifies the skin dissolving pore clogging particles while calming and revitalizing.
- **Aquarich™:** Locks moisture into the skin ensuring a long lasting, revitalizing effect. Improvement can be seen within 24 hours.
- **Provitamin B5:** Helps to maintain the skin's natural moisture balance leaving the skin feeling velvety smooth.
- Paraben Free.

Optimal Eye & Lip Makeup Remover

This gentle makeup remover dissolves makeup and impurities leaving the skin around the eye and lip area feeling purified and re-energized.

Targeted

- Mild, foaming formula for all skin types.

Effective

- Hydrates and softens the sensitive skin of the eyes and lips.
- Helps to maintain the skin's natural moisture balance leaving the skin feeling velvety smooth.

Concentrated

- **Calendula:** Gently hydrates and softens the sensitive tissue of the eyes and lips.
- **Provitamin B5:** Helps to maintain the skin's natural moisture balance leaving the skin's feeling velvety smooth.
- **Masterwort Extract:** Organically cultivated in the Swiss Alps, this extract gently soothes tender skin.
- Paraben Free.
- Includes 40 sterile 100% cotton pads.

Swiss Aqua Mineral Mist

This refreshing nutrient-rich mineral mist aids in increasing epidermal water content and water retention helping to restore and maintain natural skin moisture, leaving the skin feeling velvety and smooth.

Targeted

- Hydrating formula for all skin types.

Effective

- This antioxidant rich cocktail containing Vitamins A, B₂ and C re-mineralizes the skin enhancing its appearance upon application.
- This unique source of H₂O offers equalization of the skin ensuring optimal hydration.

Concentrated

- **Thermal Water:** Also known as Swiss Water, this potent calcium and magnesium rich formula offers rich nutrients and hydration to the epidermis.
- **Aquaxyl™:** Optimizes water reserves in the epidermis rendering the skin more resistant to external aggression. Skin is left moisturized, improving the appearance of tone and texture.
- **Sea Water:** Rich in oligo-elements this unique source of H₂O offers equilibrium to the skin ensuring optimal moisture balance.
- Paraben Free.

Tri-foliant™

SwissTEC™ Tri-foliant™ is a powerful triple-action exfoliating complex designed to encourage balanced skin texture utilizing physical, scientific and vitamin based exfoliation.

Targeted

- Treats uneven skin tone and texture.
- Recommended for dry, rough skin. Use more frequently, 2 times per week.

Effective

- Exfoliation spheres remove impurities from the skin's surface, intensifying the look of glowing skin.
- Improves skin radiance by decreasing the look of pigmentation and uneven skin tone.

Concentrated

- **Quartz:** Exfoliation spheres remove impurities and dead cells from the skin surface, intensifying the look of skin radiance.
- **Salicylic Acid:** Improves the appearance of skin tone and texture.
- **Vitamin C:** Promotes skin radiance by decreasing the look of pigmentation and uneven skin tone.
- Paraben Free.

Clarifying Elixir

This effective formulation purifies the skin's surface from pore clogging, acne-causing particles while gently moisturizing acne prone skin.

Targeted

- Developed for oily/acne prone skin.
- Addresses enlarged pores.

Effective

- Removes impurities from the skin's surface, cleaning pores and offering an overall improvement in acne prone skin.
- Regulates oily and acne prone skin.

Concentrated

- **Salicylic Acid:** Improves the appearance of skin tone and texture.
- **AHA:** Removes dead cells from the skin's surface cleaning pores and offering an overall improvement in acne prone skin.
- **Zinc:** A balancing agent which regulates oily and acne prone skin.

Concentrated Mattifying Serum

This light, specialized serum offers balanced mattifying moisture while purifying the skin of pore clogging environmental pollutants improving the look of skin's tone and texture.

Targeted

- Treats oily/acne prone skin.
- Addresses enlarged pores.

Effective

- Improves the appearance of skin elasticity while absorbing oil.
- Reduces the appearance of enlarged pores and improves the look of refined skin tone and texture.

Concentrated

- **Oleuropein**: Improves the appearance of skin elasticity while absorbing oil and deep cleaning pores.
- **Hyaluronic Acids**: An excellent moisture balancing agent. It is substantive to the skin, helping to keep skin hydrated all day/night.
- **Evermat™**: Reduces the appearance of pores and improves the look of refined skin tone and texture.
- Paraben Free.

Concentrated Mattifying Cream

This innovative light cream-based moisturizer offers balanced anti-shine moisture for normal to oily skin types. This innovative ingredient complex promotes improvement in skin tone and texture.

Targeted

- Treats oily/acne prone skin.
- Addresses enlarged pores.

Effective

- Slows the signs of aging lightening the look of pigmentation while enhancing skin renewal, resulting in an overall improvement in radiance.
- An excellent moisture balancing formula that will keep the skin hydrated and supple all day and all night.

Concentrated

- **CIC₂**: Slows the signs of aging, lightening the look of brown spots while enhancing skin renewal, resulting in an overall improvement in radiance.
